

**Cluster Level:** \**Emerging* clusters may request up to \$100,000 per proposal. *Established* clusters may apply for up to \$200,000.

Use this budget justification form to align specific activities with cluster goals and proposed outcomes. Be sure to reference specific budget line item numbers in the justification text below. Review committees will carefully consider each budget item and may recommend funding only some budget items. *Direct costs of research are ineligible.*
